## TIPS TO MAKE OUR CONVERSATION GREAT

By Yvette Walker

**#1:** The *Positively Joy* audience is best served when you share specific stories about your experiences and how it relates to your relationship with God. Try to think of stories that show how you learned something about God or yourself. Listen to past shows at [www.positivelyjoy.com](http://www.positivelyjoy.com) for inspiration.

**#2:** All interviews are prerecorded and edited.

**#3:** The story belongs to you. However, given time constraints I can't promise the opportunity for you to listen before it goes live.

**#4.** Please wear headphones or earbuds and go to a quiet room. Typically, a conversation lasts about 45 minutes.

**I can't wait to have this conversation with you!**

# SAMPLE QUESTIONS

Generally, the conversation flows from an initial introduction after which we will dive into your personal and encouraging story.

The questions below serve to prompt your thoughts before our conversation. You do not have to answer all of them, and I might personalize some to your own specific circumstances.

- Tell us about yourself and your family. Who were your early influences?
- Describe a time when you learned to trust God more deeply.
- What is God doing in your life now?
- Talk about how prayer can be truly personal. Do you have any examples to share?
- How difficult is it for you to find Joy in the midst of this pandemic that we are going through, and how can prayer help?
- What is your favorite scripture or quotation, and how does it relate to the season you are walking through?
- Describe a time when you were overwhelmed by the love of God.
- When has God used your unique gifts to love someone?
- What are your next plans for your life?
- Anything else you'd like to mention?
